

TO WHOM IT MAY CONCERN:

I AM A PROFESSIONAL DRIVER. TRAVELING ACROSS THE COUNTRY ACCESS TO THE XM RADIO HELPS ME PLAN ACCORDINGLY TO ACCOUNT FOR TRAFFIC IN ADVANCE. NOT ONLY DOES THAT HELP KEEP MY STRESS LEVEL DOWN IT ALSO HELPS ME BE ADEQUETLY PREPARED TO KEEP THE MOTORING PUBLIC SAFE. THE ALERTS I GET FROM XM TRAFFIC IS MOST HELPFUL BECAUSE I CAN GET NOTICE OF PROBLEMS BEFORE I ARRIVE IN RANGE OF LOCAL RADIO STATIONS. MANY OF YOU MAY NOT REALIZE BUT RECEPTION FOR RADIO IN AN EIGHTEEN WHEELER IS NOT AS GOOD AS A FOUR WHEELER. SO IN CONCLUSION XM HELPS ME BE A SAFER DRIVER AND CAUTIOUS PRIOR TO ENTERING METRO AREAS BY BEING ABLE TO KNOW WHAT IS GOING ON BEFORE I GET THERE SOONER THAN THE LOCAL RADIO.

SINCERLY,
